**SECRETARY OF STATE KYLE ARDOIN'S STATEMENT ON THE  
PASSAGE OF AMENDMENT 1**

Baton Rouge, LA--Louisiana Secretary of State Kyle Ardoin made the following statement on the passage of Constitutional Amendment 1.

"I am exceedingly pleased that the voters overwhelmingly supported Amendment 1. This vote sends a clear message that the radical election policies of places like San Francisco, New York City, and Washington, D.C. have no place in Louisiana. I would also like to thank Representative Debbie Villio and Senator Beth Mizell for their support and for securing the passage of this amendment through the legislature earlier this year.

The passage of Amendment 1 will ensure the continued integrity of Louisiana's elections. I look forward to continuing that fight into the new year."
